

Bilingual Mental Health Therapist

LCDA- Latino Community Development Agency, is a non-profit organization in the heart of the Hispanic Community in Oklahoma City. LCDA is dedicated to providing culturally enriched bilingual services to the Hispanic Community. The agency has 24 programs providing effective community outreach and servicing needs through family support, mental health therapy, Substance Abuse Treatment, Drug Testing, Tobacco Cessation, Trauma program, Parenting Education, Youth Prevention and Empowerment, and Health Education Programs.

Adult, Youth, and Children Services:

Latino Community Development Agency (LCDA) is seeking a Licensed Therapist or a Master's Level under Supervision candidate. The position would require the ability to provide behavioral/mental health and/or family counseling to a culturally diverse population. This position requires the ability to effectively communicate verbally and written in both English and Spanish.

Qualifications:

- Master's degree in behavioral science or related area
- Licensed or under supervision as a Psychologist, LPC, LMFT, or LCSW. We provide supervision, if needed.
- Experience working with substance abuse related issues (preferred)
- Proficient in Spanish and English, experience with a bi-cultural population
- Possess an interest and/or experience in serving individuals of all ages and with culturally diverse backgrounds
- Have a current billing contract with Medicaid, or be willing to attain one

If you believe you are qualified for this position, please submit a resume and a letter of interest for this position which includes professional abilities that meet requirement for this position to: dirtx@latinoagencyokc.org or mail in your documents at: 420 SW 10th Street Oklahoma City OK 73109. Applications are

accepted for consideration until positions filled. Immediate hire. If you do not meet requirements, please do not apply.
